Please read the following, it contains important information

- An application for registration in New Zealand consists of: (A) checklist and (B) application form (REG1) and the additional documentation specified on the checklist. Application forms can be downloaded here.

- Both parts must be completed and then sent to the place where you will undertake your training. They will complete the application and send it to the Council office.

- To find out what documents you need to have primary source verified visit this page on our website.

- If the application is approved by Council, you will need to provide an original certificate of professional status (good standing) from every jurisdiction you have worked under for the previous 5 years (issued within 3 months of the date you start training in New Zealand).

- If you satisfy all the criteria, you will be eligible for registration within a special purpose scope of practice for the duration of your appointment or for a maximum period of 2 years, whichever is shorter.

- Requirements for registration with a special purpose scope are detailed here.

- This is not a pathway to permanent registration.

- Processing time for completed applications is 20 working days. There will be delays if an incomplete application is submitted.

If you need help completing your application please contact the Council office; phone +64 4 384 7635 or 0800 286 801, or email registration@mcnz.org.nz.
