

PA CHKL4: Physician Associate Provisional Scope of Practice New Zealand Experiential pathway

Part A: Checklist for registration in New Zealand

- An application for registration in New Zealand consists of **(A) check list** and **(B) application form (PA REG1)**.
- Both parts must be completed and sent to your employer or nominated agent who will complete the application and email it to physicianassociates@mcnz.org.
- If a document is not required to apply for registration or has not been specifically requested by Council, please do not include it in the application.
- Where documents must be submitted which contain third-party information or information that is not required by Council, the information must be redacted before the documents are submitted.
- If the application is approved by Council, you will need to provide an **original certificate of professional status** from every jurisdiction you have worked under for the previous **5 years (issued within 3 months of your employment start date in New Zealand)**.
- If you satisfy all the criteria, you will be registered in a Physician Associate Provisional scope of practice for at least six months before being eligible to apply for a change of scope to the Physician Associate General scope of practice. The full requirements are listed on our [website](#).
- Processing time for a complete application is 20 working days. There will be delays if an incomplete application is submitted. If you need help completing your application, please contact the Council office on +64 4 384 7635 or 0800 286 801 or via email to physicianassociates@mcnz.org.nz.
