VOC3-REV: Request for re-evaluation of application for registration within a vocational scope of practice

For doctors who hold a postgraduate medical qualification which is not the prescribed New Zealand or Australasian postgraduate medical qualification

PLEASE READ THE FOLLOWING. IT CONTAINS IMPORTANT INFORMATION.

If you are not satisfied with the final decision of the Medical Council of New Zealand (Council) regarding your application for vocational registration, you may request a re-evaluation of your application. Council will ask the specialist training college (Vocational Education and Advisory Bodies VEABs), which assessed your original application, to consider any new information you provide in support of your application.

Any new information you provide should specifically relate to your qualifications, training and experience. Examples of new information may include: letters of support from suitable specialists; additional training information; and/or additional logbook information.

All information provided will be forwarded to the VEAB for consideration. Following receipt of further advice from the VEAB, Council will consider whether or not to modify its final decision. Council will send you formal notification advising whether or not it has upheld or modified its final decision.

Vocational scope of practice being applied for:

Full name: ________________________________
Reference/registration No: __________________
