

Southern District Health Board – Progress on required actions

Southern DHB underwent an accreditation assessment as a provider of prevocational medical training on 26 August 2020.

The overall outcome of the assessment for Southern DHB's accreditation was 'substantially met'.

Southern DHB is currently accredited until 30 October 2024, subject to satisfactorily addressing the required actions listed below.

Required actions on accreditation	Status	Date of decision	
1	Southern DHB must establish medical education as a priority with an appointment of a position that is accountable and available to provide leadership across prevocational medical training.	Met	26 August 2021
2	Southern DHB must provide a plan for how it intends to meet the requirement for community-based attachments to ensure that by November 2021, over the course of the two intern years, each intern completes at least one clinical attachment in a Council accredited community-based attachment.
