

MidCentral District Health Board – Progress on required actions

MidCentral DHB underwent an accreditation assessment as a provider of prevocational medical training on 30 and 31 March 2021.

The overall outcome of the assessment for MidCentral DHB's accreditation was 'substantially met'.

MidCentral DHB is currently accredited until 31 October 2025, subject to satisfactorily addressing the required actions listed below.

Standard	Required actions on accreditation	Status
<p>1 The intern programme – programme components</p> <p>3.1.6: The training provider, in discussion with the intern and the prevocational educational supervisor, must ensure that over the course of the two intern years each intern completes at least one community-based attachment.</p>	<p>MidCentral DHB must continue to ensure that interns are allocated to a CBA over the course of their 2-year internship and report to Council by 31 January 2022 on the number of their PGY1s and PGY2s who have completed a CBA.</p>	<p>Met (9 March 2022)</p>
<p>2 The intern programme – formal education programme</p> <p>3.3.2: The intern training programme ensures that interns can attend at least two thirds of formal education sessions, by structuring the formal education sessions so that barriers to attendance are minimised.</p>	<p>MidCentral DHB must ensure that the barriers to PGY1 interns attending the formal education programme have been addressed to enable interns to attend at least two thirds of the formal teaching programme.</p>	
<p>3 The intern programme — formal education programme</p> <p>3.3.3: The training provider ensures that all PGY2s attend structured education sessions.</p>	<p>MidCentral DHB must provide structured teaching and learning sessions for PGY2 interns.</p>	<p>Met (9 March 2022)</p>
<p>4 The intern programme – orientation</p> <p>3.4.2: Orientation is provided at the start of each clinical attachment, ensuring familiarity with key staff, systems, policies, and processes relevant to that clinical attachment.</p>	<p>MidCentral DHB must provide orientation for interns at the start of each clinical attachment, which includes information and expectations for the attachment.</p>	
<p>5 Monitoring and evaluation of the intern training programme</p> <p>5.4: There are mechanisms in place that enable interns to provide anonymous feedback on their prevocational educational supervisors, RMO unit staff and others involved in intern training.</p>	<p>MidCentral DHB must ensure it has an effective process to enable interns to provide anonymous feedback on their prevocational educational supervisors.</p>	

6	<p>Implementing the education and training framework – welfare and support</p> <p>6.2.1: The duties, rostering, working hours and supervision of interns are consistent with the delivery of high-quality training and safe patient care.</p>	<p>MidCentral DHB must ensure interns are not required to sign off results for patients not under their care.</p>	
7	<p>Implementing the education and training framework – welfare and support</p> <p>6.2.1: The duties, rostering, working hours and supervision of interns are consistent with the delivery of high-quality training and safe patient care.</p>	<p>The sign off of results must occur in a timely manner to avoid any risk to patient safety.</p>	
8	<p>Facilities</p> <p>7.1: Interns have access to appropriate educational resources, facilities, and infrastructure to support their training.</p>	<p>The DHB must ensure interns have access to appropriate, fit-for-purpose IT processes and systems that support them to safely carry out their work.</p>
